

# Host an Austrian Student for Two Weeks ...

and help raise money for Carlsbad High.

Sign up for our Host Family Program now!!!

Hosting A High School Student From Austria

**March 6 - 20, 2008**

We are looking for families to host a total of 41 Austrian High School students (30 girls and 11 boys) and two teachers who will attend classes at Carlsbad High from **March 6 - 20, 2008**. The Austrians are juniors at a high school in St. Poelten, Austria. Carlsbad High students of all ages are welcome to host.

With this program we can **raise \$8,600 for the Carlsbad High drama program and orchestra (\$200 per person hosted)** and gain a better understanding what life for a teenager in Europe looks like! The Austrian students will stay in our area to learn about American culture and lifestyles. They speak English. **They speak English, arrive fully insured and have their own spending money.**

Host Families provide the Austrians with **housing and meals as well as transportation to and from Carlsbad High**. Bedrooms can be shared with same-sex kids (no living room accommodations). Typically we put one student per family, in some cases two students per family are OK. Families must speak English at home.

Each Austrian student will **follow the American host brother's or sister's schedule**, visit classes on campus, etc., except on designated excursion days (on weekdays). Families use their evenings and weekends to integrate their visiting teenager as much into their family life as possible. The Austrians are on a **school trip with their English teachers** and have to work on their own assignments while their host brothers and sisters have to study and do homework in the evenings.

A group coordinator will be available for any questions or concerns before the group arrives and while the group is in town. A host family meeting will be scheduled about ten days before arrival where host families will receive photos and personal information about their Austrian student.

**Carlsbad High will be able to raise \$8,600.00** for this cultural enrichment program! For more information and to sign up, please visit [www.imagedoctors.com/carlsbad/home.html](http://www.imagedoctors.com/carlsbad/home.html) or contact the group coordinator **Sabine Huemer, ph (310) 245-6041, email [sabine@imagedoctors.com](mailto:sabine@imagedoctors.com), or Monica Hall at Carlsbad High**. If you can host, please fill out an online application form (or print the form and mail to Sabine Huemer, 412 Pearl Street, Redondo Beach CA 90277).
